27th September '19

Dear Miss Tate,

I am writing to you on behalf of the staff here at the Beatles Story. On the 19th September, a group of staff and pupils from your school came to visit our Discovery Zone and exhibition, and we just wanted to write to you and let you know how much we enjoyed having them with us! We were very impressed with the children's Beatles knowledge, and also by how polite and well behaved they were! They were also very respectful of all the members of the public who were visiting on that day. We were quite busy that day, so the children were quiet and calm, and a credit to the school!

We hope the staff and pupils enjoyed their day, and we hope that Ysobel Saint Dunand come back to see us again!

Yours sincerely,
The Discovery Zone Team
(Sophie, Nick and Ann)
