

# Eco Schools Newsletter

Dear Parents/Carers,

## Eco Day/Week Of Action – Monday 27<sup>th</sup>-Thursday 30<sup>th</sup> June

Following successful requests in the past, the eco-council would like to organize an 'Eco-week' of action. We have a variety of things that we need to do to maintain and develop our school grounds.

- Maintenance and weeding of vegetable growing areas.
- Maintenance and painting of picnic tables.
- Construction of 2 mini greenhouses.
- Installation of rainwater collection butts.
- Tree planting.
- Construction and creation of a new Wildflower Garden.

We are asking if any parents or grandparents would like to help with some of these activities to support the eco-council. Our 'Eco-Week' of Action will begin on Monday 27<sup>th</sup> June – Thursday 30<sup>th</sup> June. If you are able to support in any way, even if you could spare 30 minutes, please contact the Eco-Council at the following email: [mailbox@santdunawd-pri.wrexham.sch.uk](mailto:mailbox@santdunawd-pri.wrexham.sch.uk)

We would also kindly ask if any parents or families are able to support our Eco-Week of Action by donating any compost, flowers, seeds, shrubs wooden plant containers, or wooden sleepers to create flower beds. We are also asking if anybody has 6 – 10 old car tyres for us to make planting containers.

Thank you for all of your help and support with our Eco School projects.

Sam (Chair) Lily (Vice Chair)

Eco School Council Members.
