

Welcome to Dosbarth Elwy

RECEPTION & YEAR 1
2025-26

My name is Miss Barry and I am really looking forward to being your class teacher this year. I have previously worked in Alexandra CP School Wrexham, I was here for 12 years as a higher level teaching assistant. I then completed my PGCE through Wrexham University and started my teaching career in Farndon Primary School.

Mrs Hughes will be our Teaching Assistant and Mrs Davies will be supporting children in class each day. We are also very lucky to have Mrs Johnson (Level 4 teaching assistant) who will teach Dosbarth Elwy forest school every **Monday afternoon**. Mrs Johnson will also cover my PPA time on a **Thursday afternoon** where the children will have P.E.

I hope that your year in Dosbarth Elwy will not only be a happy one, but also a huge success. To help you to be ready to learn and get the most out of each school day, here is a short guide, for you and your parents, to being a successful learner in Reception & Year 1.

Children who are ready to learn...

- Usually have had a good night's sleep.
- Have eaten breakfast and had a drink before school starts.
- Are feeling fit and well, or their teacher knows if they are a little under the weather. Just pop a note on Seesaw to let me know.
- Are happy to come into school. Please let me know if they've had 'one of those mornings'. We all get them from time to time and it helps us to help you and your child if we know it's not been the best of starts!

How to be an effective learner in Reception & Year 1:

- Use Sant Dunawd's Super Powers to develop learning skills

POW!

Sant Dunawd's Super Learning Powers

Saint Dunawd's Superpowers

We are curious.

Ask lots of questions.

Keen to find out the answers to my wonders.

Enjoy discovering and exploring new things by noticing, thinking of possible reasons and extending by asking 'What might happen if...?'.

We collaborate.

Work well with a learning partner or in a group.

Support or accept support from a learning partner.

Listen and respond to others.

Share ideas.

Compromise when necessary to get the best out of everyone.

Value the importance of teamwork.

We persevere.

Keep going when I am faced with a challenge and don't give up.

Always give 100% and learn from my mistakes.

Believe that my effort is what matters most.

When I am stuck, I can use different strategies to get 'unstuck'.

We are resilient.

Think positively and use positive words.

Try not to dwell on things that I can't change or do anything about.

Learn from my mistakes and the mistakes of others.

Adapt quickly to new situations.

'Bounce back' when things don't go to plan.

Know that I can overcome challenges because I see them as temporary.

Manage distractions.

Enjoy humour and can laugh at myself.

We reflect.

Consider what I have done well and what I can improve.

Think about the ways in which I learn.

Seek and respond to feedback.

Try different strategies when I'm not making progress.

How to manage your emotions:

- Talk to a friend / adult that you can trust
- Write a note and pop it in the class worry box
- Tell an adult if you feel unsafe or anxious
- Take your time
- Breathe slowly
- Know that emotions are normal
- Learn the names of different types of emotions
- Stay positive
- Keep a diary
- Know that sometimes things are challenging
- Be brave and try new things
- Do something fun when you feel low, e.g. dance!

How to ensure that your voice is heard in Reception & Year 1:

- Speak clearly and confidently
- Suggest ideas for the School Council and Eco-Council.
- Put your hand up to share your ideas
- Design your own assemblies about things happening in the news to share with the class
- Learn to justify your opinions, it doesn't matter if they're different
- Give your ideas for new topics

The School Day

- ❖ Our school day begins at 8:55am however the gates are open from 8:45am.
- ❖ We have a whole school assembly at 2:35pm on a Tuesday, Wednesday and Thursday. On a Monday we have a class assembly and on a Friday it is our Celebration Service.
- ❖ We have a morning snack at 10:30am. Children are able to choose a healthy fruit snack during this time. Please pay for the morning snack on ParentPay at £1.50 per week.
- ❖ We try to go outside as much as possible, so please make sure your child has a coat in school in case it rains.
- ❖ Lunch time is from 11:50 - 12:50pm. Please make sure that if your child is having a school lunch, it has been pre-ordered using the online booking system.
- ❖ During the afternoon session we aim to have a short break to stretch their legs with a short physical development break.
- ❖ The school day ends at 3:05pm. If your child needs to stay in school after 3.05pm, please contact Bangor-on-Dee Childcare to arrange any childcare needs.

Being Organised...

- ❖ Remember to bring your water bottle every day (don't forget to take it home to wash it each night).
- ❖ Bring everything you need for the day into the classroom when you arrive at school in the morning.
- ❖ You will have all the equipment you need provided in your classroom.
- ❖ Check the 'Home Box' for any letters/forms that you may need to take home.

PE Kits

Our PE Days - **Thursday**

You will come to school in your kit on the days that you have PE.

PE kit:

- white T-shirt or House T-shirt (red, green or blue)
- black shorts
- white/grey socks
- trainers for outdoor activities
- black joggings bottoms or leggings and zip up tops may be worn in cold weather

Forest School Kit is required on **Monday**

Reading Books & Diaries

Some children who are blending in phonics will have Reading books which will be sent home on a **Friday**. Books can be returned by **Wednesday** each week to be exchanged. Children may also keep the same book for more than a week if they haven't finished it. Unfortunately, books cannot be changed if they are not brought back to school. Please see Home Reading Diaries and comment if pupils have read well or any words they have found challenging.

Learning Partners

You will be given the chance to work with a new Learning Partner frequently.

Learning Partners are great because you get the chance to work with and learn from everyone in the class throughout the year. It is important to learn how to be a successful learning partner.

Here are some top tips:

- Let your partner share his or her views
- Think about what your partner is saying
- Look at your partner when they are talking
- Show an interest in your partner's ideas/work
- Don't let other people/things distract you
- Stay focused and keep on task
- If you think your partner's ideas are more interesting, be prepared to 'let go' of some of your own ideas
- Try to be clear
- Say more than one or two words!
- Try not to be bossy when putting your ideas across

Homework

We understand that family time is precious and that children need a break when they get home from a busy day in school. We believe that 'little and often' is the most beneficial approach to homework for children at this age.

- 1) Daily Reading - Any form of reading is good for a child. If they are reluctant to read a book, you can take it in turns. You read a page, they read a page. Encourage them to read at every opportunity - the newspaper, signs and adverts, comics and magazines. Once your child is blending phonic sounds, they will bring home a reading book. In addition, phonic sound sheets will be used to practice at home.
- 2) Maths - There will be opportunities for children to complete some maths activities at home when we have finished a unit of work occasionally. Encourage frequent counting at any opportunity at home and when out. Please see Seesaw for any homework set.
- 3) Spellings - Encourage children to spell any names of family members and begin to spell key words - an ideal opportunity is when pupils are reading.
- 4) Fine motor activities - Get the children ready for writing with some activities such as threading, weaving, playdough, building with lego, peg out the washing!

If you wish, when you go on a visit at a weekend or school holiday, you can send in pictures for your child to talk to the rest of the class about.

Please make sure you join our class Seesaw as soon as your child brings home the joining information.

We use Seesaw to share learning and experiences during the year. Children love it when you like and comment on the work they share.

Seesaw is also great to keep you updated with any events in school or little reminders about what the children may need from day to day.

The private message option is very handy if you need to let me know about anything regarding your child. I will always try to reply as soon as I can. I will respond between the hours of 8.30am-5.00pm.

Please do not use Seesaw to report absences as I may not always get to check it when I am teaching. Please email or phone the school office before 8:55am to report pupil absence.

If you would like any further information, please
message me on Seesaw or catch me at the end of
the school day.

Likewise, if you have any concerns, please get in
touch sooner rather than later so that we can do
our best to get them sorted for you.

I look forward to working in partnership with you
this year.

Diolch
Miss Barry
