

HOW DID WE GET ON WITH OUR PRIORITIES IN 2025-26?

Improving Writing Across the Curriculum

What we achieved

- Introduced a consistent approach to teaching writing across the school.
- Improved pupils' confidence, vocabulary and writing stamina.
- Increased opportunities for children to write in different subjects.

What we're working on next

- Ensuring all pupils apply their writing skills consistently across the curriculum.
- Continuing to develop handwriting, spelling and independent writing skills.

1.

Deepening Welsh Language and Culture

What we achieved

- Achieved the Cymraeg Campus Silver Award.
- Increased opportunities for pupils to speak Welsh every day.
- Strengthened Welsh culture through assemblies, displays, reading materials and enrichment activities.
- Increased staff and pupil confidence in speaking and using Welsh.

What we're working on next

- Encouraging pupils to use Welsh more naturally and independently.
- Continuing our journey towards the Cymraeg Campus Gold Award.

2.

Developing Leadership and Learning Across the School

What we achieved

- Leadership responsibilities were strengthened across the school.
- Greater consistency was established in planning, assessment and monitoring.
- Self-evaluation became more evidence-informed, helping us identify priorities for improvement.

What we're working on next

- Developing leadership skills further across the staff team.
- Strengthening how we measure the impact of improvements on pupils' learning.
